

KINGSPORT MINI MAKER FAIRE

CRAFT STICK BRIDGE BUILDING COMPETITION

JULY 20, 2019

Mattern & Craig is asking local middle and high school students to participate in the 2019 Bridge Building Competition, as part of Kingsport's Mini Maker Faire.

Contest Rules:

- Bridge structures are to be submitted by 10:00 AM, July 20, 2019, to the Kingsport Civic Auditorium, 1550 Fort Henry Drive.
- Students must be no older than a rising high school senior.
- Students may work in teams of five or less, or individually. Each student can only submit one entry (whether individually or part of a team).
- The bridge must be the student's original work.
- The bridge itself may only consist of:
 - Wooden craft sticks (4.5" by 3/8")
 - Carpenters wood glue
 - No other materials may be used. Bridges may not be painted.
- Students must submit an entry form with their bridge.
- Prizes will be awarded for the top entries.

For rules, entry form, and information, please visit <https://kingsport.makerfaire.com/> and search for Mattern & Craig.
